

# ODYSSEY OF THE MIND EXPERIENCE

***Join us for a brief performance by our local award winning team!***

Our "Sycamore Lodge 129 Odd Fellows" team placed 1st in their division at the Regional Competition, came in second place at the NorCal Competition, and will be going to the World competition in Michigan on May 22-25. They designed and built a 15 gram structure that held 690 pounds! The performance involves drama, music and science.

**Monday May 13**

**Performance 6:30 pm**

*"Odyssey of the Mind is an international educational program that provides creative problem-solving opportunities for students from kindergarten through college. Team members apply their creativity to solve problems that range from building mechanical devices to presenting their own interpretation of literary classics. They then bring their solutions to competition on the local, state, and World level. Thousands of teams from throughout the U.S. and from about 25 other countries participate in the program."
